

VENTURA COUNCIL OF GOVERNMENTS 2021 LEGISLATIVE PROGRAM

PURPOSE

The purpose of the Ventura Council of Governments (VCOG) Legislative Program is to protect and promote the regional interests of the governmental entities within Ventura County on priority issues and matters that may impact those entities. In this vein, VCOG's legislative efforts are intended to support the fiscal stability of local government, and to provide for and preserve local control of governance and service delivery. The annual adoption of a Legislative Platform will guide the VCOG Board (Board) and staff in evaluating and taking appropriate action upon legislative proposals introduced at the state and federal levels. The goals of VCOG's Legislative Program are to:

- Advocate the region's legislative interests at the state and federal levels;
- Inform legislators and the VCOG Board regarding key issues and legislation that could have potential impacts on the region;
- Participate with other Councils of Government, the Southern California Association of Governments (SCAG), the League of California Cities, the California State Association of Counties (CSAC), National League of Cities (NLC), Ventura County Transportation Commission (VCTC), and other regional agencies on legislative issues of importance to the region;
- Seek support and assistance for regional projects, services and programs that enhance public services.

PROCESS

The VCOG Legislative Committee, comprised of staff from the ten cities, County, and the League of California Cities representative, shall review the status of legislative proposals and make recommendations to the VCOG Board consistent with the annually adopted Legislative Platform. In addition to the direction provided in the Platform, the Committee will consider positions established by the League of California Cities, California State Association of Counties, National League of Cities, and Southern California Association of Governments. VCOG will not address matters that are not pertinent to the region's local government services, such as partisan, socially divisive, or international issues.

When timely action is needed before the VCOG Board is able to convene to authorize a position, staff is authorized to prepare position letters for the Chair's signature, provided such position is consistent with the VCOG Legislative Platform or positions established by the League of California Cities, California State Association of Counties, National League of Cities or the Southern California Association of Governments. Should any of these positions be in conflict, no action will be taken without specific Board direction.

Should the Chair not be available to sign a position letter, the Vice Chair shall be authorized to sign the letter in lieu of the Chair. If neither the Chair nor Vice Chair is available, the Executive Director shall be authorized to sign in lieu.

All members of VCOG shall receive copies of position letters prepared on behalf of VCOG.
